d) In addition to the information required by section 3(c) above, an application for renewal of registration must be accompanied by the record keeping information described in section 4 below.

e) If a person is registered under this Act, the officers and employees of the person need not be separately registered.

f) Unless the Administrator notifies an applicant that a longer time period is necessary, the Administrator shall approve or deny an initial registration within sixty days after the date on which the completed application, including all required documents and payments, is filed. Within thirty days of a denial of an application, the Administrator shall inform the applicant in writing of the reason(s) for the denial.

g) The Administrator shall approve or deny a renewal of registration within thirty days after the date on which the completed application for renewal, including all required documents and payments, is filed. Within thirty days of a denial of a renewal of registration, the Administrator shall inform the debt management services provider in writing of the reason(s) for the denial.

4. The Administrator concludes that the applicant's business will not be operated lawfully and fairly and within the provisions and purposes of this Act.

i) Upon written request, the applicant is entitled to a hearing, pursuant to the Administrative Procedure Act, on the question of the applicant's qualifications for initial or renewal registration if the Administrator has notified the applicant in writing that the initial or renewal application has been denied. A request for a hearing may not be made more than

sixty days after the Administrator has mailed a notice to the applicant stating that the application has been denied and stating the reasons for the denial of the application.

j) In addition to the power to refuse an initial or renewal application as specified in this section, the Administrator may suspend or revoke a debt management services provider's registration if the Administrator finds that any of the following conditions are met:

k) Within ten days of a decision to revoke or suspend registration, the Administrator shall inform the debt management services provider in writing of the reason(s) for the decision. Upon written request, the applicant is entitled to a hearing, pursuant to the Administrative Procedure Act, to challenge the Administrator's decision.

l) If the Administrator finds that the public health, safety or welfare requires emergency action, summary suspension may be ordered effective on the date specified in the order. A hearing shall occur promptly thereafter.

m) The Administrator shall maintain a list of registered agencies, which is to be made available to interested persons and to the public.

Section 4: RECORD KEEPING

a) Each debt management services provider shall keep and use books, accounts, and records which will enable the Administrator to determine if the provider is complying with the provisions of the Act and maintain any other records as required by the Administrator. The Administrator is authorized to examine such records at any reasonable time. All such records must be kept for six years following the last service on a consumer's debt management plan.

b) Each debt management services provider shall file a report with the Administrator each time that the provider files an application to renew registration. Such reports shall at a minimum disclose in detail and under appropriate headings:

 - 2. Issued by a bonding, surety, or insurance company that is authorized to do business in the state; and
 - 3. Conditioned so that the provider and its agents shall comply with all state and federal laws and regulations governing the business of debt management services.

The Administrator may adjust this amount on no more than an annual basis by an amount equivalent to any annual increase in the Consumer Price Index, published by the Department of Labor, and only after public hearings.
- d) A provider may charge a monthly maintenance fee only if the fee is fair and reasonable. d) A provider shall not commingle the funds in any trust account established for the benefit of consumers with any operating funds of the provider.

e) The provider shall reconcile the trust account not less than once a month. The reconciliation shall ascertain the actual cash balance in the account and compare it with the sum of the escrow balances in each consumer's account. If the provider has more than one trust account, each account shall be individually scheduled and reconciled.

f) Each trust account shall at all times have an actual cash balance equal to or greater than the sum of the escrow balances of each consumer's account, and failure to maintain that amount is cause for a summary suspension of registration under section 3.

d) In addition to any other remedies provided in this Act, a consumer who is aggrieved by a violation of the Act, a rule promulgated by the Administrator under this Act, or by any unfair, unconscionable, or deceptive act of practice may recover:
